Electronic Distribution Request

Over the last few years the cost of printing the quarterly newsletters and annual directory have increased significantly. In addition, most FOC members now have access to the internet and have email accounts. We are requesting that you accept that the newsletter and annual directory be sent to you electronically. You will be informed by email as to where you can download these documents using a standard web browser. The email will also contain a password that will allow you to unlock the document. All documents will be distributed via Adobe PDF format. If you do not accept electronic distribution, you will continue to receive these documents via regular mail as in the past. Please indicate your selection below. If accepting, please assure you entered a valid email address above.

- ❑ I accept to receive quarterly newsletters and the annual directory electronically
- ❑ Please continue to send the quarterly newsletter and annual directory via regular mail
